ABOUT

Dr. Stephanie Wall, affectionately known as The Tower of Power, is a transformational speaker, retired law enforcement executive, criminal justice professor, security professional, mentor, author, consultant, and certified neuroscience and Gallup CliftonStrengths coach. She is the founder of 1 Million Lives Transformed®, a global movement designed to help women unmute their voices, embrace their brilliance, and lead with confidence, courage, and purpose.

As Chief of Staff and Special Projects at a Maryland community college, Dr. Stephanie integrates leadership, strategy, and service to cultivate cultures of empowerment and collaboration. Her talks blend neuroscience, storytelling, and heart, leaving audiences inspired to move from survival to significance.

Known for her authenticity, humor, and heart, Dr. Stephanie does not just motivate, she transforms. Whether speaking to corporate leaders, educators, or women seeking purpose, she delivers powerful messages that ignite clarity, confidence, and change.
